

The following prayer was offered by Pastor Stevens at Korea Vietnam Memorial 60th Anniversary of Korean War Program April 29, 2012.

Blessed are you, O Lord our God, Creator of the Universe. Through your prophets, ancient and modern, you remind us that you alone are eternal, and that our times are in your hands.

O Lord, in your wisdom you call us to remember great events of our history and to memorialize sacrifices made by the few for the good of the many. As we gather here today to honor veterans of the Korean War, we feel so blessed, not only that we live in a free nation; we also feel blessed that so many men and women have served, and continue to serve our country with honor and courage and dignity.

So even as we gather to honor these veterans, we would remember before you all those who have served our country, especially those who have died, those who are MIA, and those who were wounded in service of our country. May we never forget nor diminish their sacrifice for us.

O God, we humbly pray for the day when a lasting peace may come to all nations. Bless our military personnel stationed around the world, and bring them home to us safely and quickly, we pray. Blessed are you, O Lord our God, creator of all people and healer of all the nations of the world. Amen.
