Gracious in your wisdom, you call us to remember great events of our history and to memorialize sacrifices made by the few for the good of the many. As we commemorate Veterans Day, we feel so blessed, not only that we live in this free nation, but also we feel blessed that so many men and women have served, and for those who continue to serve our country with honor and courage and dignity.

So we gather to honor all who have served, and especially to remember those who have died, those who are MIA, and those who were wounded in service of our country. May we never forget nor diminish their sacrifice for us.

O God, we humbly pray for the day to come when a lasting peace may come to all nations. Bless our military personnel stationed around the world, and bring them home to us safely and quickly, we pray. Blessed are you, O Lord our God, creator of all people and healer of all the nations of the world. Amen.
